2.3.2

The image shows a 'Change your password' dialog box with three input fields: 'Enter your current password:', 'Enter your new password:', and 'Confirm your new password:'. Each field contains seven asterisks. Below the fields are 'Accept' and 'Cancel' buttons. An 'Error' dialog box is overlaid on the bottom left, displaying the title 'Password Error' and the message 'New passwords do not match, try again'. The background of the main dialog is a red and orange nebula image.

2.4.1

The image shows a 'Create new task' dialog box. It has a title bar that says 'This is a string with less than 45 chars'. The main content area has the text 'This is a string with less than 45 chars' and a 'Title:' label. Below the title is an input field containing the same text. There is also a 'Description:' label and an empty input field. At the bottom is a 'Submit' button.

This is a string with less than 45 chars

Create new task

This is a string with less than 45 chars

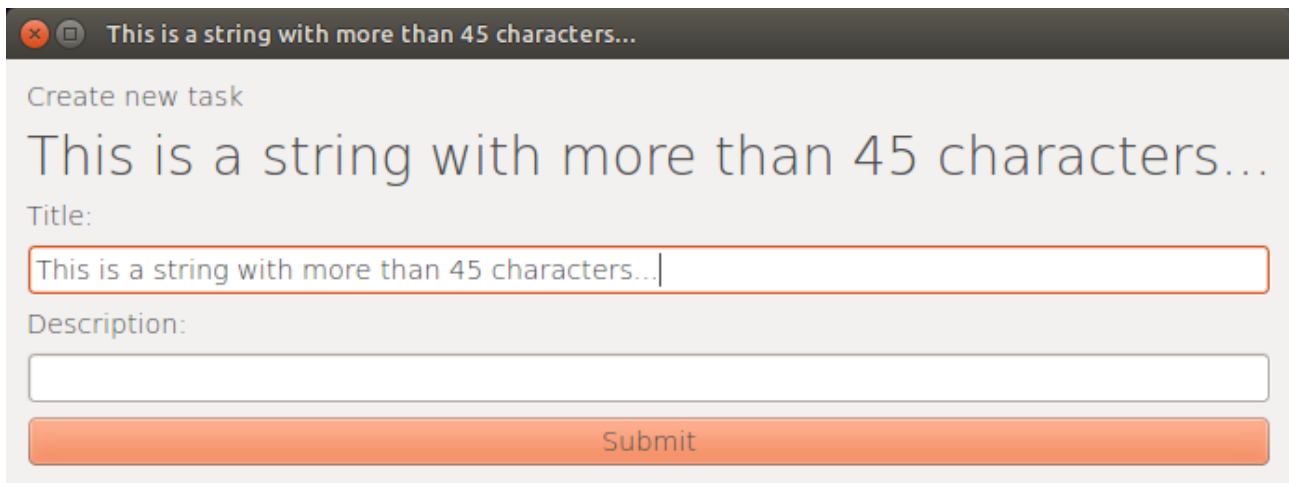

Title:

This is a string with less than 45 chars

Description:

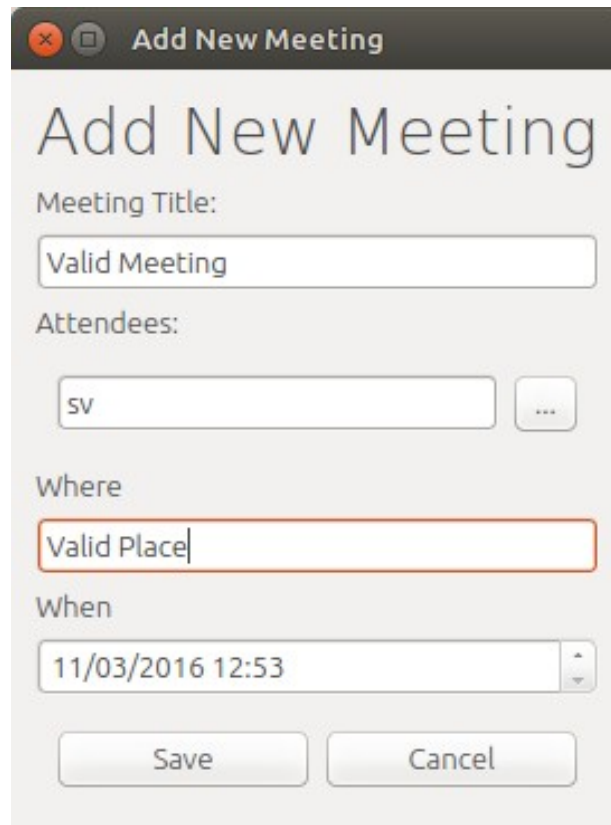

Submit

2.4.2

A screenshot of a web browser window with a dark title bar containing a red close button and a grey maximize button, followed by the text "This is a string with more than 45 characters...". The main content area has a light grey background. At the top, it says "Create new task" in a small, light blue font. Below this is a large text input field containing the text "This is a string with more than 45 characters...". Underneath the input field is the label "Title:" in a small, light blue font. Below the label is another text input field containing the same text. Underneath this is the label "Description:" in a small, light blue font. Below the label is a large, empty text input field. At the bottom of the form is a wide, orange button with the text "Submit" in white.

2.5.1

A screenshot of a "Add New Meeting" dialog box. The title bar is dark grey with a red close button, a grey maximize button, and the text "Add New Meeting". The main content area is light grey. At the top, it says "Add New Meeting" in a large, dark grey font. Below this is the label "Meeting Title:" in a small, dark grey font. Underneath is a text input field containing the text "Valid Meeting". Below this is the label "Attendees:" in a small, dark grey font. Underneath is a text input field containing the text "SV" and a small, light grey button with three dots. Below this is the label "Where" in a small, dark grey font. Underneath is a text input field containing the text "Valid Place". Below this is the label "When" in a small, dark grey font. Underneath is a text input field containing the text "11/03/2016 12:53" and a small, light grey button with up and down arrows. At the bottom of the dialog are two buttons: "Save" and "Cancel", both in a light grey font.

(user 'sv' has the userID of 3) This whows that the correct meeting and user are

associated.

2.5.2

A screenshot of a 'Add New Meeting' dialog box. The dialog has a title bar with a close button (red circle with an 'x'), a maximize button (square), and the text 'Add New Meeting'. The main content area has a large title 'Add New Meeting'. Below it are four sections: 'Meeting Title:' with a text input field containing 'Invalid Meeting'; 'Attendees:' with a text input field containing 'elfkljbskjb' and an orange button with three dots; 'Where' with a text input field containing 'Somewhere Invalid' which has a red border; and 'When' with a date/time input field containing '11/03/2016 13:11'. At the bottom are 'Save' and 'Cancel' buttons.

Notice that the meeting with ID=12 was stored, but not added to the list of meeting attendees.

2.5.3

A screenshot of a 'Add New Meeting' dialog box. The dialog has a dark grey title bar with a close button (red circle with an 'x') and a maximize button (grey square). The title 'Add New Meeting' is in white. The main area is light grey and contains the following fields:

- Meeting Title:** A text input field containing 'Valid Meeting'.
- Attendees:** A text input field containing 'p, sv' and an orange button with three dots '...' to its right.
- Where:** A text input field containing 'Valid Location'.
- When:** A text input field containing '3/28/16 9:13 PM' with a small up/down arrow button to its right.

At the bottom are two buttons: 'Save' and 'Cancel'.
